Remember that this year your credit will be posted **only once**, at the end of the year. Your final notification will come home mid-April, showing the full amount of your deduction. If your credit to this point was under \$2.00, a notice was not sent home. But no worries! We have only been in school for one month and there is still plenty of time to increase your scrip credit. If you have any questions, please call Kari in the elementary office.

Our Middle School Student Leadership Team and Cal Micro employees will be available to help you unload your e-waste items from your car. This is a great time to get rid of clutter and dispose of unwanted items the correct, earth-friendly way. Best of all, this activity will help to raise funds for our Middle School Student Leaders.

Materials we will collect are: computers, notebooks, laptops, CRT monitors of all makes and models, TV's (non-broken tubes), keyboards and mice, printers, copiers, office equipment, consumer electronics, cell phones, stereos and speakers, and anything electric powered.

If you have any questions, please call our school Facilities Department at 493-2199. Check out Cal Micro Recycling at [www.calmicrorecycling.com](http://www.calmicrorecycling.com).
