

CROSSROADS CONNECTION

WEEK OF OCTOBER 5, 2009

A NOTE FROM BETH

Dear Crossroads family,

I want to take a moment to tell you how fabulous our new high school is!! We began the year with 28 freshmen. They are an awesome class of young men and women who are excited to be the very first high school class at Crossroads Christian High School.

Our faculty is made of some incredibly gifted and devoted individuals. Among them are two teachers with Master's degrees, and one with a doctorate degree. Also among them are decades of experience and training, and a love for education. Most importantly, each of our faculty members are committed to Christian education and to promoting truth as they teach. They have a heart for guiding our students into a saving knowledge of Jesus Christ and to a close and vital walk with Him. In addition, these students are receiving a cutting edge education. Each student has their own Mac Notebook computer and technology is interwoven into every subject area. Our instructors teach from state approved textbooks, but from a Biblical perspective...a Christian world view. Every student is on a college track, taking courses that prepare them for any college or university they choose attend when they graduate. **(continued on page 2)**

MOMS IN TOUCH

We want to invite you and encourage you to join our Moms in Touch every Tuesday morning from 8:15-9:15am. They meet in front of our school to pray for our children and school. Make arrangements with a friend to meet together and walk across to the lawn area in front of the office. Bring a writing utensil and your Bible. See you then.

PRESCHOOL GRAND-FRIENDS' DAYS

Every year at Crossroads Schools we look forward to a very special day, a day when we open our doors and welcome some very special guests onto our campus-our Grand-friends! Grand-friends' Day is Thursday, October 8th and Friday, October 9th (the day depends on the program your child attends. Please check your child's weekly newsletter from the teacher for the day and time). The campus will be filled with the sounds of excited children as they proudly escort their loved ones around the school, show off their classrooms and introduce their Grand-friends to their teachers and classmates. During their classroom visit, your child and their Grand-friend will be making a craft and enjoying a special snack time together. Your child's Grand-friend may be planning to take your child out of school early so that they can spend some extra time with him/her. Please remember to have them stop in the Preschool office with their identification, before they take your child from the classroom, so that we can verify you have listed them as an authorized pick-up person. We will then give them a pink slip which will let the teacher know they are authorized to sign your child out of school for the day. We hope our Grand-friends are as excited as the children about this special day and that it will be a day they will all remember and cherish.

A NOTE FROM BETH

(cont. from page 1)

The setting for our high school is phenomenal. Students meet in modern classrooms, remodeled especially for them. They often meet outside as well, and are able to take advantage of the beautiful church campus, complete with water features and conversational patios. They eat their lunch in the Third Place Café where they enjoy good times and good food together.

It really is an amazing place to be every day!

If you are interested in Crossroads Christian High School for your student, make an appointment to stop by and take a tour. We'd love to show you around.
